Sponsored Social Events

Social events enhance the conference experience for attendees and provide sponsoring and exhibiting firms with an opportunity to spend time outside of the exhibit hall with those with whom they most align. NAEPC is interested in growing the number and type of supplemental events hosted by sponsoring and exhibiting firms during the Annual Advanced Estate Planning Strategies Conference. A visit to the theme park, group dinner at a Downtown Disney restaurant, special outings, dancing lessons, dessert reception, an early riser yoga class... the options are limited only by your firm's creativity. Events must take place outside of the official conference hours.

Small group dinners are exempt from the requirement of obtaining pre-approval.

Firms interested in hosting a social or supplemental event during the conference should submit the request form to conference@naepc.org for consideration on or before September 29, 2024. Those firms that receive approval for their event will receive an additional attendee list with email seven days before the program for the sole use of inviting attendees. **This list may be used only once.**

Multiple sponsored events may take place at the same time.

The National Association of Estate Planners & Councils (NAEPC) cultivates excellence in estate planning by serving estate planning councils and their credentialed members, delivering exceptional resources and unsurpassed education, and recognizing those who hold the Estate Planning Law Specialist certification.

We are a national network of over 2,200+ Accredited Estate Planner® designees and 265 affiliated estate planning councils and their 28,000 credentialed members, all focused on establishing and monitoring the highest professional and educational standards. Our shared belief is that the team approach to estate planning best serves the client.

EXCELLENCE IN ESTATE PLANNING

The conference features 2 ½ days of technical education (Monday, Tuesday, and 1/2 day on Wednesday) followed by two half-day sessions focused on best practices for leaders of affiliated councils throughout the country.

Attendance is expected to reach or exceed 400, including a mix of attorneys, trust officers, accountants, insurance and financial planners, philanthropic professionals, sponsors, exhibitors, honorees, and guests.

- All booth assignments are handled internally; a floorplan is not released pre-conference.
- Retractable signage / pop-up banners are permitted when placed in a location that does not interfere with the flow of traffic and/or sight lines, like behind your booth.
- Traditional displays are limited to table-top size (with the exception of Marquee, Premier, and Enhanced Partner Your Way sponsors that have chosen expanded space.)
- The exhibit hall utilizes tabletop exhibits rather than 10 x 10 booths separated by pipe and drape.
- Each exhibitor area will include one six-foot dressed table, two chairs, and a wastebasket.

Inbound and Outbound Shipping of Booth Materials

Sponsors and exhibitors will ship materials directly to the hotel using their preferred carrier; NAEPC does not utilize an exhibition company. Instructions will be provided in the final sponsor logistics kit, which is distributed late summer.

Sponsored General Session & Webinar FAQ

Sponsored sessions are provided as a way for organizations supporting the annual conference at the Marquee or Premier level to enrich the educational experience for attendees.

When are the sessions offered?

Up to three sessions will be offered during the conference (Monday, Tuesday, and/or Wednesday; schedule is created by NAEPC). The sessions will be offered first committed, first approved, first confirmed.

Topic & Session Guidelines

All sessions must focus primarily on one or more topics outlined within the [NAEPC Definition of Estate Planning](#), qualify for multi-disciplinary continuing education credit, and speakers must be of national prominence; sales and marketing presentations and/or topics are prohibited, as are any presentations that focus on "DIY" estate planning. **Interested sponsors must submit a complete application and all requested supporting documents with the commitment form and payment.** Applications will be reviewed by NAEPC and a determination will be communicated within 30 days of receipt or as early as practical. At no time shall a session provider deny attendance to their session to any conference attendee. NAEPC reserves the right to deny an application that is incomplete or does not meet the guidelines with regard to subject matter with no refund of sponsorship fees.

TOPIC GUIDELINES

What will NAEPC do to promote our session?

What will NAEPC provide for our session?

- NAEPC will provide standard audio-visual equipment for the session (one podium and microphone per presenter, screen, laptop, and projector).
- Complimentary conference registration for one (1) presenter*.

What will NAEPC not provide for our session?

NAEPC will not provide reimbursement for speaker travel or lodging expenses. Should a speaker require an honorarium, that expense is the sole responsibility of the sponsor. Should special audio-visual, staging, or set-up be requested, that expense is the sole responsibility of the sponsor.

Continuing Education Credit

The session is a part of the main conference and multi-disciplinary credit is requested for the program. As a result, the sponsoring company and all presenters must adhere to all requests and deadlines with regard to CE filing. This may include, but is not limited to, a full speaker biography, outline, timely completion of instructor registration forms, various state filing forms, and/or other documents as requested. Failure to comply with these requests may be cause for cancellation of the session with no refund of sponsorship fees to the sponsoring company.

How many people will attend our session?

NAEPC does not estimate or guarantee attendance for a sponsored session, but will make a reasonable effort to promote the session as described above when a timely commitment form and application is received. Those commitments received after April 15th will be promoted to the best of NAEPC's abilities online and in print.

Distribution of printed material during/at the session is prohibited.

*Registration is in addition to the registrations that are furnished as a part of the benefits of the chosen level of support.

Sponsored Workshops enrich the educational experience for attendees. Partner Your Way Enhanced Sponsors can opt-in to hosting a session as part of the benefit package while Partner Your Way Sponsors can opt-in to hosting a session for a fee.

NAEPC will not provide reimbursement for speaker travel or lodging expenses. Should a speaker require an honorarium, that expense is the sole responsibility of the sponsor. Should special audio-visual, staging, or set-up be requested, that expense is the sole responsibility of the sponsor.

Can our Company Provide Continuing Education Credit for the Program?

Yes! Although NAEPC will not file a Sponsor Bonus Workshop for credit, hosting companies may do so. The hosting company is responsible for all filings, fees, forms, attendance monitoring, record retention, reporting of credit, and certificates of completion.

How Many People Will Attend Our Session?

NAEPC does not estimate or guarantee attendance, but will make a reasonable effort to promote the session as described above when a timely commitment form and application is received. Those commitments received after April 15th will be promoted to the best of NAEPC’s abilities online and in print. Room deliveries are available to promote a session for a nominal fee (see Attention Grabbers within the prospectus).

Sponsors are welcome to distribute printed material during/at the session.

*Registration is in addition to those that are furnished as a part of the benefits of the sponsor’s level of support.
